---ooOoo---

Notice is hereby given by the Division of Oil, Gas and Mining of its tentative decision to approve the Large Mining Operations Notice of Intention for Staker & Parson Companies, Beck Street Quarry. Mining activities will affect the following area: 13, 14, 23 and 24 Sections, Township 1 North, Range 1 West, SLBM, Salt Lake County, Utah.

Staker & Parson Companies has filed a Notice to permit an existing large mining operation on Beck Street. Reclamation surety will be posted to assure reclamation of the 334 acres of disturbance on private land. The mine will extract the limestone, sand, and gravel using an open-face extraction leaving a series of benches ranging from 45 to 58 degree slope, providing that slope stability is demonstrated for slopes steeper than the 45 degrees. Some blasting may be necessary. Safety berms, signs, and fences will be placed around the highwall to prevent public access. After mining, benches will be seeded and reclaimed and the remainder of the disturbance graded, ripped and seeded. The complete Notice may be viewed at the Division's Public Information Center.

Any person or agency aggrieved by this tentative decision to issue approval is hereby requested to submit written protest within thirty (30) days of the date of publication to Mary Ann Wright, Associate Director of Mining, Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Box 145801, Salt Lake City, Utah 84114-5801, setting forth factual reasons for the complaint and if a hearing is desired. If no responsive written protests are received by the Division within 30 days after the last date of publication, the tentative decision of the Division will be final.
